## Dear Colleagues,

HPOS is organizing 3<sup>rd</sup> Biennial conference at Hotel Manuallaya (Ambassador Resort) at Manali on 6th and 7th October 2018 in collaboration with Indira Gandhi Medical College, Shimla and Dr Rajinder Prasad Medical College, Tanda (Kangra).

The very name **Manali** evokes visual of snow covered mountain, stately Deodar Trees, Apple Orchards and tumbling Beas. Away from Din and noise of cities you will not only enjoy the thought provoking scientific fest by renowned guest faculty from PGIMER Chandigarh and Northern region but also enjoy serene, tranquil, breath taking world of Manali which is a part of timeless tranquility of the Himalayas. It offers a kaleidoscope of some of the native finest landscape.

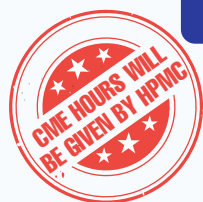

Set on the Beas river, it is a gateway for trekking in Parvati Valley . It is also a point for Para-Gliding, Rafting and Mountaineering in the Peer Panjal mountains, home to 4000 meters high Rohtang pass .

It has mythological importance also. During the time of Pandavs, Bhim married Devi Hidimba here. The temple of Mata Hidimba here reflects old architectural monument.

**Dr. Kamal Kapoor**
